8 February, 2017

Dear Parents and Carers of Year 4 Students,

Due to the extreme weather conditions predicted for this Friday 10 February we have decided to cancel our scheduled excursion to the National Botanical Gardens.

The current prediction is for 42 degrees Celsius and we feel that taking the children outdoors for an extended time in such hot weather would be detrimental to their health.

We apologise for any inconvenience caused.

Yours sincerely,
Fiona Debenham and Kerrie Buckler
Year 4 Teachers.
