Welcome back to another school year!

One of the first tasks of the Community Council each year is to ask parents to become their child’s class representative. It is not an onerous task but one that seeks to help make our community even stronger.

Responsibilities cover co-ordinating an effort for the class teacher’s birthday and coordinating social events for the children/families in the class such as park play dates and parent dinners as well as organising a gift or celebration for a farewell or a birth in a class family. We will provide you with further information and ideas but it is a role you can make your own!! It can be a shared role if you wanted it to be so, often a team effort with the other class rep and other parents are more than happy to help in any preparations if asked.

Please consider being Class Representative at least once in your child’s primary years, it is a simple and rewarding task.

Please submit your interest or any questions to Natasha Liversidge nliversidge@gmail.com

or fill in the form below and submit to the front office.

Thank you in anticipation.
Natasha - Class Representative Co-ordinator
(Mum of Zach yr 5, Jude yr3 and Hazel yr1)

I, ________________________________

parent of _______________________________ in Year _____________ Blue/Maroon

would be happy to undertake the role of parent Class representative.
